

Directions for getting to Garreg Gron (LL51 9UQ)

The village of Garndolbenmaen lies a mile off the main A487 between PORTHMADOG and CAERNARFON.

From the PORTHMADOG direction:

Approximately 5 miles after the hospital roundabout at TREMADOG, look out for a white BT Exchange building on the right hand side of the main road, after you pass the turning for 'CWM PENNANT'. Turn right at the sign for 'GARNDOLBENMAEN', and after a mile you will be at the village centre with Chapel HOREB in front of you. You need to do a dog leg right and right again up a narrow lane (there's a yellow grit bin in view up this lane). Then follow the map below for approximately half a mile. At the sharp right hand bend, go straight on and Garreg Gron is approximately 30 metres along this lane. Park in the layby.

From the CAERNARFON direction:

After the village of BRYNCIR, keep on the A487 for approximately one mile, you will then go past the MADIHA Indian Restaurant on your left hand side. Immediately past this restaurant is the turning for GARNDOLBENMAEN on the same side. Turn left here and drive for a mile into the village. Chapel HOREB will be on your left, turn left and quickly right up a narrow lane. Then follow the map below for approximately half a mile. At the sharp right hand bend, go straight on and Garreg Gron is approximately 30 metres along this lane. Park in the layby.
